## THE VELOCITY WRECKED

W. R. BROWN'S PURCHASE A TOTAL LOSS.

She Goes Ashore on the Coast of Formosa—Captain Brenstein is Supposed to be Drowned.

The bark Velocity, which was recently purchased by W. R. Brown, who returned here on the Doric's last trip, has been wrecked at Formosa. The captain is missing and is thought to have been drowned. The Yokohama Advertiser has the following about the disaster:

"The rumor which had gained currency in Shanghai that the sailing vessel Velocity was badly ashore near Taiwan-fu, Formosa, proved on enquiry to be unfortunately correct, and what is more discouraging still, the information is given that the skipper was missing. The Velocity was an old sailing ship of 401 tons burthen and was long known to residents in Shanghai as a coaster, plying from Shanghai to both northern and southern Chinese ports and occasionally to Japan and Formosa. She was commanded by Captain Bernstein, who was assisted by foreign first and second officers, with the remainder of the crew Chinese. She left Shanghai some time ago for Nagasaki, where she loaded bricks for Amoy. From thence she intended to proceed to Taiwan-fu and afterwards to Poochow, to load poles and then again to return to Taiwan-fu. It was after leaving Amoy that she encountered terrible weather and was driven hard and fast aground on the Formosa coast, some short distance from her destination.

"Absolute particulars of the disaster are not yet to hand, but telegraphic advices to Messrs. Moller and Sons show that the crew, with the exception of the Master, are safe in Taiwan-fu. Captain Bernstein, who was a married man and resided in Boone Road, Hongkong, it is feared has lost his life.

The Velocity was to have come here when through with the trip on which she was lost. She has been here many times and is a well known old bark.

NEW TRANS-PACIFIC LINE.  
YOKOHAMA, January 13.—The Futayama Shokai of Kyobashi, Tokyo, has decided to open a steamship service to America, Hawaii, Shanghai and Hongkong, with several large steamers recently purchased for that purpose.

THE HAWAIIAN BILL.  
Judge Hartwell wired President Dole by the Honolulu Mail that the Hawaiian bill would be taken up by the Senate immediately after the financial bill. This is more than satisfactory as the latter bill is now before the Senate and it is certain that the Hawaiian matter will be disposed of in the next few days.
